PROFESSIONAL SUMMARY

Motivated and detail-oriented individual seeking a challenging role in a forward-thinking organization where I can contribute to impactful projects, support organizational goals, and continuously grow by adapting to new technologies and industry trends. Committed to delivering quality work while enhancing my learning and professional development in a dynamic team environment.

EDUCATION

Vignan Institute of Technology and Science

2021-2025

Bachelor of Technology in Computer Science

CGPA- 8.0

Little Flower Junior College

2019-2021

Intermediate Education (MPC)

Percentage- 93.20

SKILLS

Programming Languages: Java, Python, C

Web Technologies: HTML5, CSS3, JavaScript, ReactJS, NodeJS (noviceySQL

Tools: VS Code, GitHub

Soft Skills: Communication, Problem Solving, Collaboration Skills, Time-Management, Leadership

EXPERIENCE

Java Developer Intern 📄 **Certificate**

- Developed Java applications, including an ATM system with various functionalities.
- Debugged and optimized Java codebases, gaining experience with Java frameworks.

PROJECTS

Smart Attendance System 📄 | Face Recognition Based Smart Attendance System

- Technology Stack: **Python, Machine Learning, OpenCV.**
- Developed a Face Recognition Based Smart Attendance System using Python and Machine Learning. Utilized the KNN Algorithm to build the face recognition system, stored attendance in a CSV file, and displayed attendance using Streamlit.

CRUD 📄 | Building a Full-Stack CRUD Application with React, Node.js, and MySQL

- Technology Stack: **ReactJS, NodeJS, MySQL.**
- Developed a full-stack CRUD application using React for the front-end, Node.js and Express for the back-end, and MySQL for the database. The app uses RESTful APIs for smooth communication between the client and server, ensuring efficient user interactions and data management.

Dictionary 📄 | A Dictionary App

- Technology Stack: **HTML, CSS, JavaScript.**
- Designed and implemented a user-friendly interface, integrated with API services, and created responsive layouts using modern web development technologies.

CERTIFICATIONS

- Cloud Computing **NPTEL**
- Problem Solving Through Programming In C **NPTEL**
- Java Course - Mastering the Fundamentals **SCALER**
- PCAP: Programming Essentials in Python **CISCO**
- HTML and CSS Course **CISCO**
- JavaScript Essentials **CISCO**
- LeetCode 50 Days Badge **LEETCODE**
